## IFS CONFERENCE AUGUST 2020

Our Executive Officer, Margaret Tipper, is the Chair of the Local Community Services Association (LCSA) who, in collaboration with the Australian Neighbourhood Houses and Centres Association (ANHCA), are hosting the International Federation of Settlements and Neighbourhood Centres (IFS) Conference in Sydney, Australia. The IFS is the international peak for neighbourhood centres and houses. The term 'settlement' is the historical name for neighbourhood centres when they were founded in the 1800s, and is still used in countries around the world today.

## ARE YOU A MEMBER?

# Making healthier places

Please note, this short survey being undertaken by the above organisations. They are seeking NSW planners, architects, developers and other built environment practitioners to tell them about their work in making healthier places, and how it impacts the health and wellbeing of the community. Please distribute this to your networks.

It only takes 5 minutes, [click here to take part >>](#)
