### ***Youthification and Greater Western Sydney***

The phenomenon of youthification describes the relocation of young people to urban districts and areas of high-density housing. Learn how the movements of young GWS residents have shaped youthification in the Greater Sydney region.

### ***Measuring Social Isolation in Greater Western Sydney***

Social isolation and loneliness have been linked to a range of poor physical and mental health outcomes, and while there are no current estimates, the economic cost of loneliness in Australia is likely to be substantial.
